

**Healing, Empowering, and Transforming Lives**  
**Bringing holistic healing, education, and faith-based services to individuals and communities worldwide.**

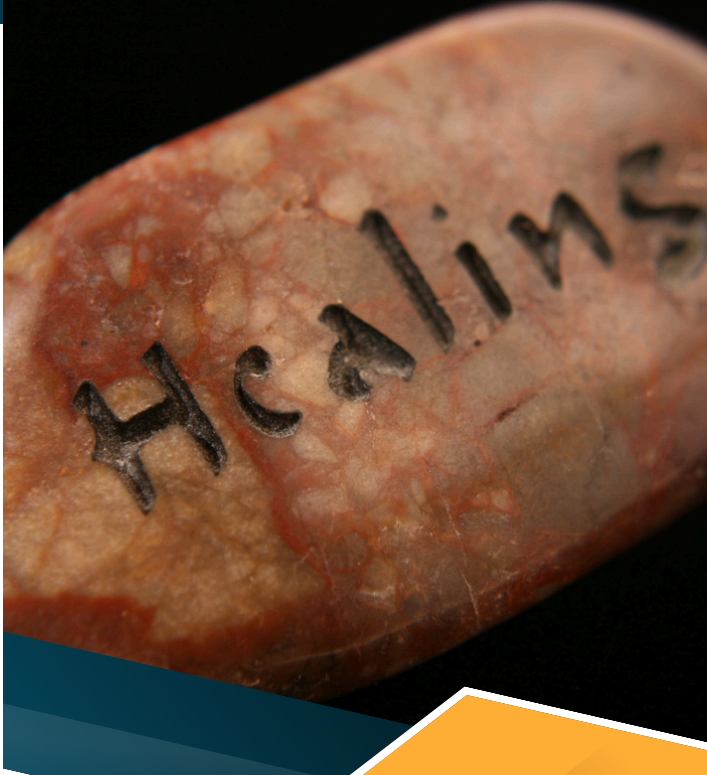

CEO of Etsah Trinity INC

### **Who We Are**

At Etsah Trinity, we are dedicated to holistic healing and empowering individuals to achieve their highest potential. Established in 2016 as a mental health center, we've grown into a global organization rooted in faith, offering services in Neuro-Cognitive Behavioral Therapy (Neuro-CBT), education, international recruitment, and community-based social work.

### **Our Mission**

To transform lives through faith-based healing, mental health care, and holistic development, ensuring individuals experience complete well-being – body, mind, and spirit.

**The #1 Business Service Provider**

Holistic Healing  
Services Just for You.  
Neuro -CBT Approach  
to make you win in life.

## Our Core Services

### 1. Neuro-CBT Healing

Our Neuro-CBT approach goes beyond thoughts, emotions, and behaviors. We help you reshape your core being, moving you from where you are to where you want to be. Experience deep, lasting transformation that addresses the root of your struggles.

### 2. Education & Research

We believe in lifelong learning. Our educational programs equip professionals and learners with advanced tools and research-backed knowledge to help them grow and succeed. Explore our Neuro-CBT Practitioner Diploma Course to elevate your skills.

### 3. International Recruitment

We help ambitious individuals achieve their dream careers abroad. Our international recruitment services assist students, healthcare workers, and professionals in finding opportunities globally, guiding them every step of the way.

### 4. Faith-Based Care

Faith is at the core of who we are. We offer spiritual counseling and prayer support for those seeking a deeper connection with God and supernatural intervention in their lives. Respecting all belief systems, we tailor our care to meet your spiritual needs.

### 5. Digital Products

Explore our range of digital tools designed to support your journey toward holistic healing. From guided meditations to educational resources, our products are accessible worldwide and created with a unique blend of modern science and ancient wisdom.
